How to install Mida Compliance Recorder App for Zoom?

To start the installation process, follow these steps:

1. Log in to your Zoom Account

Zoom Apps are currently only available for use if hosts sign in using their Zoom accounts. Sign up for a free Zoom account using the link [here](#).

Note: For non-single account users (e.g. multi-account users, Enterprise, Edu) the app may need to be pre-approved by your admin before you can use it. User needs to "Request Pre-approval", which invokes the request process and says the request has been made. This can be done both via [Zoom apps marketplace](#) (for signed in users) as well as within Zoom client.

2. Navigate to the Apps section of Zoom, or visit the Zoom App Marketplace

Open Zoom on your computer, and click the Apps icon from the menu at the top of the window besides the Meetings and Contacts icons. From here, search for Mida Compliance Recorder for Zoom and then click on the Mida Compliance Recorder for Zoom Apps icon to install the Zoom App.
